## JOIN HOMESTRETCH FOR AN AFTERNOON. HELP FAMILIES FOR A LIFETIME.

For more than 30 years, HomeStretch has empowered families across North Fulton to overcome homelessness and create brighter futures. Through safe housing, supportive programs, and a network of caring community partners, we help parents transform hardship into hope and give their children the stability every child deserves.

This year marks an exciting milestone, the 17th Annual Peachtree Tea, taking place on Friday, May 8, 2026, at the Metropolitan Club of Atlanta. This highly anticipated event will feature an inspirational keynote address from a world-renowned speaker, whose life and message embody compassion, perseverance, and the pursuit of justice. The speaker's identity will be revealed this spring, adding an element of anticipation you won't want to miss.

Held just before Mother's Day, the 2026 Peachtree Tea will be a meaningful celebration of the enduring strength of mothers and the values that uplift families and entire communities. Guests will enjoy an elegant luncheon with tea service, a cocktail reception, and lively activities including a silent auction, wine pull, and raffle, all benefiting HomeStretch families.

Each sponsorship, table, and ticket purchase supports our mission to guide working homeless parents toward lasting independence and stable housing. Join us for a powerful afternoon of connection and purpose and help families rewrite their stories for generations to come.

# WHAT WE DO

## Our Mission

HomeStretch empowers families with transformational support to acquire the resources, skills and behavioral changes necessary for achieving and sustaining their economic independence.

We accomplish this by:

Providing affordable, supportive housing in great neighborhoods where clients feel safe, connected and work toward stabilization.

Understanding and developing interventions to address the impact of trauma, poverty and social bias experienced by our clients, and the effects on their cognitive skills and sense of agency.

## Our Vision

To eradicate homelessness in and with the Greater North Fulton Community by creating pathways out of poverty for the families we serve.

We live out this vision through a comprehensive platform of case management, temporary housing, and robust financial education that equips parents for long-term success. Families who complete our program leave not just housed, but truly ready to stand on their own, earning a living wage, saving at least three months of living expenses, maintaining a 40% debt-to-income ratio, and achieving a credit score of 680 or higher. Each of these milestones represents more than a number; it is evidence of stability, dignity, and a renewed sense of possibility for both parents and their children.

## IT TAKES A HELPING HAND - ACTUALLY, A LOT OF THEM!

With 37 homes providing safe, stable housing for families, HomeStretch is fully occupied and in high demand. Each month, we receive an average of 137 requests for help that we cannot fully meet, clear evidence that homelessness is a growing crisis not just nationally, but right here in our own community. HomeStretch is committed to long-term solutions that move families beyond temporary shelter and into lasting stability.

In 2025, 90% of our program graduates remained housed without subsidies, demonstrating that our model doesn't just place families; it prepares them to stay housed. Graduating parents made remarkable strides: 18 earned industry-recognized certifications, 2 completed college degree programs, and together these families saved more than \$61,489, eliminated \$170,000 in debt, and raised their credit scores by a total of 810 points. These numbers represent more than financial progress; they reflect restored confidence, opportunity, and hope for 37 families.

Funds raised through this year's Peachtree Tea will directly support HomeStretch's summer academic enrichment program, ensuring that children in our care do not fall behind when school is out but instead gain ground academically and socially. Through full-day, structured programming, students receive targeted reading and math support, engaging enrichment activities, and life-skills experiences that build confidence, curiosity, and resilience. This investment not only helps close achievement gaps for children who have experienced homelessness, it also strengthens the long-term impact of our housing and coaching model, positioning the next generation for success in school, work, and life.

Your investment in the Peachtree Tea directly fuels this kind of transformation. Sponsorships, tables, and tickets help ensure that every family who walks through our doors receives the housing, coaching, and financial tools they need to build a secure future. By supporting HomeStretch, you are not only responding to a pressing community need; but you are also helping families break the cycle of homelessness for generations to come.
